Mark and I appreciate your willingness to elevate pending issues that appear to be slowing progress needed to incorporate NRRB directions into work plans that guide PRP efforts.

We are ready to direct R7 S/fund staff to lay out their perspective on these issues that you two can review; and look fwd to seeing how HQ staff also define

issues in dispute.

Mark and I believe both a VTC and meeting @ HQ will help finally resolve these issues and are prepared to make them happen in August.

Let us know your thots abt how to proceed.

Cheers

Karl
